

Early harvest means early peaches for you!!

COLORADO PEACHES

St. John the Baptist Parish Fund-Raiser

AND PEARS

Palisade Peaches from Colorado will be arriving early this year and we want to make sure that you don't miss out! St. John's Church is excited to provide a local Beloit pick-up location to support the Educational Ministries of our Parish (i.e. OCIA, Adult Education, Sacramental Prep, Retreats, CCD events and curriculum, etc.)

By reserving your fruit in advance, your peaches are securely held for pickup during a one-day window from 3pm - 7pm on Thursday July 30th (subject to change) We will notify you personally via phone, text message, or email when your fruit arrives and is ready for pickup.

There will be **ONE** shipment of peaches, with no pears. Only full size 20 lb. boxes may be reserved at a cost of **\$45 for peaches**. Since there will be no pears this year, you'll just have to get more peaches! Eat 'em, bake 'em, freeze 'em, or share 'em...just make sure you order enough!

SEND NO MONEY NOW, you'll simply pay at pickup. To reserve your peaches:

*Return this form to the
St. John the Baptist Parish Office
622 East Main Street, Beloit*

*or order online @
